

System Requirements For Zoom webinar attendees

CIEEM webinars are delivered using the web-based software, Zoom webinar.

It is possible to attend from **laptop or desktop computer** running (Mac or PC), Android or iOS **tablet or smartphone**, or Windows PRO 2 or 3.

Attendees will require **wired or wireless internet connection** (WiFi or 3G plus) and **audio** (soundcard if computer, plus speakers or headphones).

It is also possible to **dial in** and join the webinar **by phone** (though you will not then be able to view the presentations or take part in any interactive sessions such as polling or posing questions to panellists).

Internet connectivity	Broadband wired or wireless (WiFi, 3G or 4G/LTE) Recommended bandwidth 60-80kbps
