

CIEEM POLICY ACTIVITIES IN WALES 2020

Asked by Welsh Government to produce advice on biodiversity enhancement for planners. Launched a task group to complete this by Spring 2021

3

Consultation responses submitted.

Began regular liaison meetings with Welsh Government Civil Servants.

Produced a Manifesto Statement sent to all major political parties (Cymraeg) calling for biodiversity and climate change crisis being at the forefront of decision making.

Continued liaison meetings and relationship building with Natural Resources Wales (NRW).

1

Welsh Government workshop on environmental governance attended.

Held a webinar with Jane Davidson and Tony Juniper on Jane's new book – #FutureGen: Lessons from a small country.
